

## **Target Paper II – Proposed Contents**

- Introduction and motivation (CB)
- New stator
  - Hardware design & manufacturing (GB, JT, EC)
  - QC (GB, JT)
  - Field mapping (BS)
  - Inductance & resistance measurements
- Shaft changes (JT)
- Performance (comparison with T series) (including temperature) (EO, PH)
- New GUI (EO, PH)
- Conclusions (CB)
