

# A walk through the Universe

- Space is big. You just won't believe how vastly, hugely, mind-bogglingly big it is. I mean, you may think it's a long way down the road to the chemist's, but that's just peanuts to space.
- **Douglas Adams**, *The Hitchhiker's Guide to the Galaxy*  
*English humorist & science fiction novelist*  
*(1952 - 2001)*
